

Kimberly Bogart

Objective	To obtain a position that will allow me to use my knowledge and experiences in Geographic Information Systems and natural resource management to develop and analyze various layers of information to aid in research and decision making, while affording the opportunity to assist others in GIS use through instruction and training.		
Education	2002 - Present	University of Arkansas	Monticello, AR
	M.S. Forestry Candidate		
	<ul style="list-style-type: none">• Emphasis: GIS and Human Dimensions• Master's Thesis Emphasis: Utilizing GIS to aide Management Decisions for Recreational Areas.• Expected date of Graduation: Setember 2004		
	1995 - 1999	University of Arkansas	Monticello, AR
	B.S. Forestry		
	<ul style="list-style-type: none">• Emphasis: Forest Management• Dean's List, academic scholarship• Xi Sigma Pi, Forestry Honors Society		
Work experience	August 2002 - Present	University of Arkansas	Monticello, AR
	Graduate Research Assistant		
	<ul style="list-style-type: none">• Wrote proposals to obtain funding for research projects.• Assisted in teaching GIS workshops for ArcGIS™ 8.X, ArcView® 3.X and Avenue• Performed GIS data analysis utilizing ESRI® software and ERDAS Imagine®• Attended GIS Users Forum meetings and GIS conventions		
	September 2003 – June 2004	National Park Service	Harrison, AR
	Graduate Research		
	<ul style="list-style-type: none">• Developed Access Database• Entered 76,000 records for research purposes• Preformed quality control/ quality assurance checks• Tracked regulatory compliance of original data sets		
	1999 – August 2002	American Forest Management, Inc.	Charlotte, NC
	Soil Scientist		
	<ul style="list-style-type: none">• Profiled over 90,000 acres of timberland. To accomplish this I used soil type descriptions, GPS readings and my general knowledge of forest timberland conditions.• Developed maps of the profiled areas using the criteria of soil classification and slope.		

- Trained employees in the proper use of a CMT GPS Unit and its related software.
- Performed quality control audits of completed soil classification maps, developed by the projects personal.
- Handled management related expenses for the project such as supply invoices, monthly billings and monthly budget reports.

Summer '96, '98, '99

Potlatch Corporation

Warren, AR

Summer Intern

- Maintained and monitored two seed orchards and a first year eastern cottonwood plantation
- Established two research areas for joint university and industry studies.
- Participated in inventory analysis of stands to determine volume of growth.
- Marked boundary lines of clear-cuts to assist in logging operations.

Professional memberships:

Member of the Student chapter of the Society of American Foresters; 1995 – 1999; 2002 - Present

- Chair 1998 - 1999
- Vice Chair 1997 - 1998
- Secretary/Treasurer 1996 – 1997

Member of the forestry honors society; 1997 - Present
